Dear Ms. Senger:

This correspondence is in response to your Request for Additional Information (RFAI) for the above referenced report.

With regards to questions raised relating to the disclosure reimbursements to individuals and disclosure reimbursements of certain individual travel reimbursements and subsistence advances, the RNC is in the process of modifying its recordkeeping procedures in order to capture the additional information requested resulting from the policy changes initiated by the Reports Analysis Division and will begin reporting this information as of January 1, 2006 per the FEC meeting we had with you.

Regarding Schedule A - supporting Line 15, we have disclosed certain offsets to operating expenditures items described as INSURANCE from Samuel Lambdin, M. M. Boyce and Cynthia Kenney. These receipts are for group insurance premiums for former employees included in our insurance plan. The receipt from Gail Russell for PRINTING COSTS is a reimbursement of an invoice paid by the RNC on September 29, 2005 to Todd Allan Printing Co. Inc. reported on our October Monthly Report 2005. We are amending this report to show when the original disbursement was made. The receipt from NRCC for AUDIO VISUAL SVCS. is reimbursement for the use of our studio which we bill at fair market value.

With regard to Schedule B for Line 21(b) of our report, you questioned \$424,582.96 in memo entries as apparent disbursements for various vendors. We are amending our report to show each memo entry immediately following its respective itemized transaction by applying an additional procedure to our data when we submit the report. In this way, the public and the analyst can associate the memo records with the appropriate itemized transaction visually as well as by electronic data analysis. We will adopt this as standard procedure on the report in question and subsequent reports that we file.

I trust this response answers your inquiry. If you need further clarification please do not hesitate to contact me.

Sincerely,

Pat Huyck  
Director of Accounting
